Media Advisory

UNDP Pakistan and Khyber Pakhtunkhwa Economic Zones Development and Management Company (KPEZDMC) partner to support SMEs and creation of inclusive markets in Pakistan.

The Suppliers Development Programme (SDP) seeks to improve the productivity, efficiency and quality of products as well as delivery times of Small and Medium Enterprises (SMEs) that supply goods and services to larger companies in a particular business relationship.

The launching ceremony of SDP will officially kick start the initiative in Pakistan, after its successful implementation in others countries of South America. Actors from the Government, the private sector, individual businessmen, entrepreneurs, and institutions supporting SMEs and other stakeholders will be present to learn more about SDP and become part of the programme.
