## UNODC

PRESS RELEASE

### SAY NO TO CORRUPTION CAMPAIGN

02nd March 2015 (Islamabad) Today, UNODC supported the National Anti-Corruption Campaign by handing over three hundred (300) standees to the National Accountability Bureau's (NAB) awareness and Prevention Wing. The standees, bearing several anti-corruption messages and slogans are being displayed in high traffic areas such as international airports, police stations and government agencies. The Say NO Campaign integrates a national theme coupled with the UN Global anti-corruption message. In Pakistan it is designed as an ongoing effort by the NAB and UNODC to raise awareness against corruption and encourage prevention.

Corruption undermines development and hampers progress in developing countries and in Pakistan corruption has been recognized as a barrier to development.

This partnership between the NAB and UNODC demonstrates the importance that the agencies share to raise the awareness of the general public about the harm of corruption.
